

6a48 solar battery cabinet lithium battery pack price

Overview

Orders over \$500 include a FREE (Normally \$149.99) 80-Page DIY Solar eBook — added automatically at checkout. The Pre-Assembled 6 Slot Battery Cabinet is a robust and efficient storage solution designed for housing up to six lithium battery modules. Designed for durability and convenience, this rack ensures your batteries stay securely in place during use. Manufacturer's warranty can be requested from customer service. Here are the key features: Holds up to six rack-mount lithium batteries, providing clean, organized, and scalable. Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need a place to live, sheltered from the elements and kept dry and secure. Our practical, durable cabinets are manufactured from aluminum, and lined with CellBlock's Fire Containment Panels. They were very apologetic and said they would get me a replacement ASAP. Which they did. But first I had to ship mine back and then they would. EG4 Storage Solutions 6 Slot Battery Rack, featuring an enclosed cabinet design.
