

Are government photovoltaic panels a scam

Overview

The US government is not giving away free solar panels or paying people to go solar, no matter how many random YouTube and Facebook ads say otherwise. This scam is usually a misrepresentation of the Residential Clean Energy Credit (aka solar tax credit). Did a salesperson knock on your door and promise free rooftop solar panels at no cost to you?

Or say you'll never have to pay another electricity bill because government programs, grants, or rebates cover your solar installation?

It's likely a scam. homeowners can “now qualify to get a full, state-of-the-art solar system at absolutely no cost from the government. ” Solar panels are seen on the rooftop of a home in a new housing project in Sacramento, Calif. government. Con artists use misleading sales tactics and lies to trick homeowners out of money and personal information.
