

Armenia Su photovoltaic container manufacturer

Overview

With 12 years" experience in renewable energy systems, SunContainer Innovations specializes in customized storage solutions. Our Gyumri-ready systems feature: Explore solar storage solutions. Manufacture and sale of photovoltaic solar panels. With abundant sunlight—over 2,700 hours annually—and government incentives for renewable energy, manufacturers here are crafting high-efficiency solar panels and modular energy storage systems. Solar roofs, façades, carpots and shading systems — energy built into modern architectural design. The Gyumri Solar Project - operational since 2022 - stands as a 12 MW clean energy hub, reducing regional carbon emissions by approximately 18,000 tons annually. Our professional solar solutions are designed for commercial, industrial, and.
