

# Burkina Faso solar Energy Storage Investment Enterprise

## Overview

---

The Government of Burkina Faso has signed a Public-Private Partnership (PPP) agreement with a local developer and a Dutch clean energy investment firm to develop a major solar and battery storage system. The project will deliver 150 MWp of solar photovoltaic (PV). Key Figures & Findings: Gutami Holding BV, a global renewable energy developer headquartered in the Netherlands, has partnered with the Government of Burkina Faso and the national utility SONABEL to launch a major solar energy project under a Public-Private Partnership (PPP) framework. The country has abundant sunlight, making it an ideal candidate for solar power development.

## Burkina Faso solar Energy Storage Investment Enterprise

---

### Burkina Faso

The aim is to increase access to clean energy by improving the financial viability of, and promoting large-scale commercial investment in, solar photovoltaic minigrids in Burkina Faso.

---

### Gutami inks agreements for solar plus storage project in Burkina Faso

Its energy solutions include solar parks, rooftop solar, energy storage and hydrogen. It has developed or under development projects in 10+ countries, and 150+ projects under development.

---

### Gutami Holding BV and its Local Partners Launch Landmark 150MWp ...

Gutami is a privately owned global developer and investor in sustainable energy solutions. Established in 2006, Gutami invests in, finances and acquires assets and optimizes asset ...

---

### Burkina Faso set for 150 MW solar-

## plus-storage project

Dutch developer Gutami Holding has signed a 25-year power purchase agreement with Burkina Faso's national utility to supply electricity from a planned 150 MW solar project paired with ...

### Burkina Faso, Gutami Secure 150MW Solar

Gutami, established in 2006, has a track record of financing, acquiring, and optimizing clean energy assets worldwide, with a focus on solar, hydrogen, and storage systems.

## Solar Power Purchase Agreements (PPAs) in Burkina Faso

Reports indicate that Gutami Holding has signed a deal to develop what is expected to be the largest solar power and storage project in West Africa, with a capacity of 150 MWp integrated ...

### Burkina Faso takes a bold leap toward energy security and

The project is a cornerstone of Burkina Faso's national energy policy, aimed at expanding access to affordable, reliable electricity across the country.

---

## Burkina faso energy storage applications

Piloted in Burkina Faso, Cameroon, Malawi, and Uganda, SophiA aims to provide sustainable off-grid energy solutions to rural and remote health facilities, fostering economic growth and

---

## Dutch IPP Gutami signs PPA for 150MW solar PV/BESS hybrid in Burkina Faso

Set to achieve commercial operations in Q4 2027, the project is a major pillar in Burkina Faso's national energy policy, which aims to secure and expand access to reliable, low-cost ...

---

## Burkina Faso: PPP to develop solar energy, battery storage project

The Government of Burkina Faso has signed a Public-Private Partnership (PPP)

agreement with a local developer and a Dutch clean energy investment firm to develop a major solar ...

*LiFePO<sub>4</sub> Battery, safety*

*Wide temperature: -20~55°C*

*Modular design, easy to expand*

*The heating function is optional*

*Intelligent BMS*

*Cycle Life: > 6000*

*Warranty: 10 years*
