## Overview

---

Psilos Group is established in Cyprus (based in Limassol), supplying power solutions, generators, equipment, event power, air compressors and more. When it comes to power equipment, especially batteries and power banks, we offer:. Think of a portable power station as a large format, high-capacity battery system with a built-in inverter giving you AC sockets, plus USB/USB-C ports, DC outputs, and various charging inputs. It looks like a big “power bank”, but where a small power bank gives you enough to charge a phone or.
