

Can be pushed under the storage cabinet

Overview

IKEA hacker, Simone @ Charcoal. shade_of_jade, created an easy-to-use under-cabinet storage using slide-out organizers and IKEA UTRUSTA push openers. Simone said that if she had known how easy it was to do, she would have done it sooner! So, if you need more.

Heavy Duty Material: The pull out trash can under cabinet is made of heavy duty structural steel with surface nano-painting technology, which is more resistant to corrosion and rust than normal painting technology, and lasts longer. The under cabinet trash can pull out have enhanced weight.

Upgraded Push To Open: The newly upgraded pull-out trash can cabinet features a push-to-open function, allowing you to easily open the cabinet door with your foot or knee.
