Overview

Does your local swimming pool require you to pay for a locker?

I don't mean a refundable coin. It's non refundable and the locker "eats" the token. Phenolic lockers are gaining popularity in the US and are often used in a variety of aquatic facilities such as municipal swimming pools, waterparks, and college and university aquatic centers. They have long been a standard in Europe not only for their water resistance but also their longevity and. Many places you will need an ID, even just to charge to the room. Otherwise only bring what you need. Phone, ID/CC, sunscreen Theft is a thing everywhere. Don't leave valuables out of your eyesight. These lockers are often located next to the pool or in a separate locker room. Lockers at a community or recreational pool are often exposed to high-humidity and high moisture environments - especially indoor. Leisure lockers are specified for gyms, swimming pools and leisure centres where frequent use, humidity and hygiene are key considerations.
