## Overview

---

Our double tier storage carts are the perfect solution for athletic chair storage. Wheel them out to collect all of the chairs and then roll them up against a wall or into a closet for quick and easy storage. Whether you need space to store extra household items or a convenient spot to keep business supplies, a storage locker may be all you need to find the peace of mind and ease of access you're looking for. TIP #1: CLEAN FURNITURE. The lockers are tall and narrow so everything accumulates in a pile at the bottom.
