

# Delivery time for a 1mw outdoor telecom enclosure

## Overview

---

ESTEL provides clear timelines for both standard and custom orders. The company brings years of experience in outdoor telecom solutions.

Understanding your customization. Westell is a collaborative partner in OSP deployment optimization providing customized, fully integrated, vendor neutral outdoor network equipment enclosures. From 16" to 90" heights, from 25" to 42" of depth, we can help size the right enclosure for your site. Frigate uses FEA, high-strength alloys, and precision welding to ensure enclosures withstand vibration, wind, and seismic loads without deformation.
