### How to judge size of doe?

A mature doe will have a long snout and a chest that extends forward from her front legs. But my best advice is to shoot a doe every year, making note of how big they look and acutally end ...

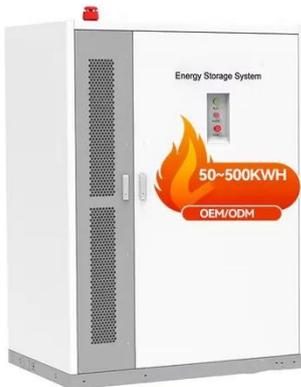

---

## Difference between and fawn and a yearling

The difference between button bucks and doe fawns. Study the faces of the two, I always felt button bucks had shorter, kinda budgy look in the face and does had a longer more pointed look.

Solar

---

## About the EECBG Program

Through the EECBG Program, DOE is offering eligible local and Tribal governments the option to select an equipment rebate and/or technical assistance voucher in lieu of a traditional formula grant.

---

## When to kill a doe? , Michigan Sportsman Forum

3. Preferably a fawn-less doe that I have patterned and can identify. Post rut, all bets are off if I haven't taken a deer and the numbers permit taking a doe. This

year, I had 7 or 8 bucks ...

### Old Doe vs. Young Doe , Michigan Sportsman Forum

Way to many deer mature doe, fewer deer baby doe. By shooting the small doe in this case you are allowing the button buck to live hence balancing the ratio while allowing the doe to fawn ...
