Overview

Explore Electrotraders' range of Australian-approved circuit breakers, providing reliable protection for industrial, commercial, and mobile applications. Also known as electric breakers, these automatic electrical safety devices protect circuits from damage caused by excess current, often resulting from an overload or short circuit. When a fault is detected, they interrupt the flow of electricity, acting like a switch that automatically 'trips' off. Plus specialist auto blade fuse breakers, auto-reset, PCB, stud surface mount types and rocker switch breakers for protecting equipment from circuit issues. Essential safety devices for residential and commercial installations complying with. Changing your ship-to location may impact your product pricing and availability. Shop popular currents including: 20a, 32a, 40a, 50a, 63a, more.
