

Finland energy storage cabinet liquid cooler manufacturer

Overview

Heliostorage is a privately held company based in Kokkola, Finland. Founded in 2019 after a series of product pilots initiated by a team of passionate young engineers in 2012, our company is dedicated to advancing efficient energy storage solutions. With Watula Greentech and our partners we help you to find new innovative solutions within the energy sector by modular and scaleable products. Our partners are world leading manufacturers. That's why we created Enico | Jupiter - a unique, next-generation energy storage system that scales with your needs and drives your business towards smarter energy management. Modular design, 100% factory pre-assembled, can be quickly integrated and deployed without. VONEN CO2 Filter technologies can also be applied for other areas, such as indoor air.
