

Heishan lithium energy storage system manufacturer

Overview

LISHEN is a leading lithium battery manufacturer and supplier for EV power and energy storage solutions. Learn about market trends, real-world applications, and why compact power solutions are becoming essential in today's mobile-first world. Tianjin Lishen Battery Joint-Stock Co. with customers in Europe, the Americas, Southeast Asia, Africa and other regions. It has obtained multiple international certifications, including IATF16949, CE, UN38. Provides lithium-ion. A 200MW/400MWh battery energy storage system (BESS) has gone live in Ningxia, China, equipped with Hithium lithium iron phosphate (LFP) cells. The manufacturer, established only three years ago in 2019 but already ramping up to a target of more than 135GWh of annual battery cell production capacity.

Heishan lithium energy storage system manufacturer

Energy Storage Battery Solutions

By storing surplus electricity in batteries or storage units, they discharge during peak demand or outages. This optimizes energy utilization, reduces electricity costs, enhances grid stability, and ...

Top China Battery Energy Storage System Manufacturers in 2025

Discover top battery energy storage system (BESS) manufacturers in China. Compare solutions, certifications, and how to choose the right supplier.

Top 10 Lithium Battery Manufacturers in China 2026

The company manufactures lithium-ion batteries for energy storage applications, catering to various industries and contributing to the efficient management of renewable energy.

Heishan Portable Energy Storage Solutions: Powering Your Needs ...

GLASHAUS POWER - Summary: Discover how Heishan portable energy storage systems are revolutionizing outdoor adventures, emergency preparedness, and renewable energy integration.

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW/115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

LISHEN , LISEHN Battery , Lithium Battery , Li-ion Battery , EV Battery

Currently, the company focuses on a range of lithium-ion battery products and technologies, positioning itself to serve high-end market clients. The company is dedicated to providing comprehensive ...

BESS (Battery Energy Storage System) Company

China's leading BESS company, dedicated to developing the best battery energy storage system and improve the efficiency of renewable energy storage.

China s largest lithium energy storage company

A 200MW/400MWh battery energy storage system (BESS) has gone live in Ningxia, China, equipped with Hithium lithium iron phosphate (LFP) cells. The

manufacturer, established only three years ago ...

LISHEN , LISEHN Battery , Lithium Battery , Li-ion ...

LISHEN is a leading lithium battery manufacturer and supplier for EV power and energy storage solutions.

Shanghai SineSunEnergy Co., Ltd. , Solar Components , China

Founded in 2009, SineSunEnergy has been focusing on lithium battery energy storage product development and application, providing leading lithium battery energy storage system integrated ...
