

High quality 5kW solar system in auckland

Overview

Through methodical research and rigorous legwork, we've curated a list of Auckland's best solar panel providers, ensuring you can have a proper solar-panelled home (or business). Battery ready — We use high-quality hybrid inverters compatible with future battery storage upgrades, so you can easily add batteries later if you want. Flexible finance options — Major banks offer interest-free or low-interest loans for solar installation, so you don't need to worry about paying. A 5kW Solar System is a medium-sized System perfect for family homes, small commercial buildings or larger homes with less energy usage. Oops! Something went wrong while submitting the form.
