Hisense Microgrid

I tested 3 flagship mini-LED TVs - here's the one I'd spend

I've tested the top mini-LED TVs from Hisense, Samsung, and TCL. Here are my thoughts on what each model does well, and which one I'd personally lean toward buying.

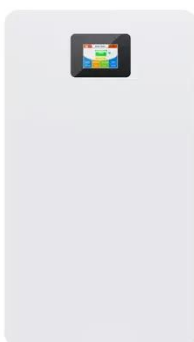

ULED MiniLED , Explore the Best Options Hisense-USA

Explore the latest ULED MiniLED from Hisense. Find the perfect product for your everyday needs. Learn more today!

Hisense 65" Class U8 Series MiniLED ULED 4K Google TV

Experience the Hisense 65" Class U8 Series MiniLED ULED 4K Google TV with cutting-edge technology and reliable performance. Learn about its benefits.

Hisense U8QG vs. TCL QM8K: which Mini-LED TV is right for you?

The Hisense U8QG is one of the best TVs you can buy right now for the price, but given it shares the same price as the QM8K, you really can't go wrong with either one.

Hisense U8QG TV Review: Beautifully Bright, Tough to Tame , WIRED

Default picture modes make reining in overbrightening a hassle. Some shadow detail crushing. If you're after a crazy-bright TV, Hisense's U8 series has you covered.

Hisense Energy Storage Industry: Powering the Future with Innovation

As energy demands grow faster than a TikTok trend, the Hisense energy storage industry plays a crucial role in keeping lights on and industries running. Whether you're planning a ...

Hisense U8N Review (55U8N, 65U8N, 75U8N, 85U8N, 100U8N)

We bought and tested the 65-inch model, and it's also available in five

different sizes: 55-inch, 65-inch, 75-inch, 85-inch, and a massive 100-inch model. Since the 75-inch model uses a ...

I witnessed Hisense's giant 163-inch micro-LED TV in person, and this

Now, don't get too excited right away, Hisense doesn't yet have definitive plans for when the giant 163-inch micro-LED TV might be available, or in exactly which countries - but it's an actual

This Excellent Hisense Mini LED Is One of the Brightest ...

The Hisense U8QG is the brightest TV I have reviewed (so far), and it complements that brightness with excellent contrast and well-saturated colors.

The 4 Best Hisense TVs of 2026: Reviews

The best mid-range Hisense TV we've tested is the Hisense U75QG. Although it doesn't match the same caliber of overall picture quality as the Hisense

U8QG, it's still a great-looking TV ...
