

# Hungary Energy Storage Power Station Project

## Overview

---

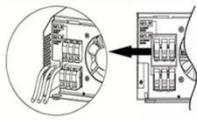

Swiss-based energy company MET Group has officially inaugurated Hungary's largest standalone battery energy storage system (BESS) at its Dunamenti Power Station in Százhalombatta, located close to Budapest. It is the latest example in a series of. NewslettersFrom daily news and career tips to monthly insights on AI, sustainability, software, and more—pick what matters and get it in your inbox. Access expert insights, exclusive content, and a deeper dive into engineering and innovation. The Dunamenti Power Plant is home to this new project, which builds on an existing 4-megawatt facility that was. With a nominal output of 40 MW and a storage capacity of 80 MWh, the facility marks the latest in a series of energy storage investments by MET Group across Europe.
