

Indonesian energy storage container production unit

Overview

Jambi, Febru- PT Cipta Kridatama (CK), a subsidiary of PT ABM Investama Tbk (ABMM), in collaboration with SUN Energy, has inaugurated Indonesia's first and largest Containerized Battery Energy Storage System (CBESS) for Solar Power. These modular units combine high-capacity batteries with smart management systems - imagine a Swiss Army. PT PJB Services is a specialized provider of Operation and Maintenance Services for power plants, which may include aspects related to energy storage through their comprehensive asset management and refurbishment services. In a statement, SUN Energy said the project is located at PT Cipta Kridatama Jambi and has a capacity of 643. This wind power project plans to generate 70 MW.

Indonesian energy storage container production unit

Energy Storage Systems

Designed with sustainability in mind, these units are suitable for noise-sensitive locations, dramatically reducing fuel consumption and CO2 emissions during operation.

Indonesia Clean Energy Battery Storage System

There is growing market potential for Battery Energy Storage System (BESS) solutions for solar and wind energy in Indonesia.
