## About Us - Who We Are

Kingston is a leading global manufacturer of memory and storage solutions. Our story began in 1987 when two engineers and friends, John Tu and David Sun, saw an opportunity in the technology ...

---

## Energy company uses 20MWh energy storage container

Chinese clean energy technology company Sigenergy has completed a 20-MWh utility-scale battery energy storage system (BESS) project in Malko Tarnovo, southern Bulgaria.

---

## Desktop and Laptop Computer Memory

By answering these questions, you'll have a better idea of what you need and which Kingston memory product will work best in your system. You can then

search for your motherboard part number using ...

## Gotion High-Tech Unveils Game-Changing 20MWh Battery System at ...

Gotion unveils 20MWh battery system at SNEC 2025, earning global safety certs and 3GWh orders--powering the future with smart, scalable energy storage.

## Computer Memory - Find compatible RAM

Kingston makes it quick and easy to select compatible RAM memory for your Desktop PC, Laptop, or Server. Search by OEM brand system, OEM memory part number, or memory specifications.

## Kingston Tech Support and Customer Service

Kingston offers support worldwide whether it is pre-sales support, technical support, warranty information or returns, we are here to help.

### Kingston Technology

Reliable solid state drives (SSDs), memory modules, USB flash drives, SD cards and microSD cards for consumers, businesses, enterprises and system builders offered by Kingston.

### Why Choose Kingston? Kingston Technology

Kingston supports many major systems and offers many different types of memory technologies making Kingston an excellent single source for all your memory needs.

### Gotion High-Tech Unveils 20MWh Energy Storage System in SNEC ...

Gotion debuts 20MWh energy storage system at SNEC 2025, securing 3GWh deals and showcasing advanced tech, safety, and global certifications.

---

### USB Flash Drives for personal use and encrypted data

Kingston DataTraveler and IronKey USB flash drives provide on-the-go file storage for photos, music, video and more. They are available in both standard and encrypted security for home, school, office ...

---

### Introducing Grid Q: A 20MWh Energy Storage System

We are thrilled to introduce latest innovation: a game-changing 2090 kWh Mobile Power Station, designed to deliver clean, stable, and efficient energy wherever it's needed. ?? Gone are the days

---

### The World's First 20MWh Energy Storage System launched with

It is the world's first energy storage system to reach a capacity of 20MWh

per unit, and its design supports a lifespan of 25 years. So, what should you know about it?

## A Bright Future! Gotion High-tech's 20MWh Energy Storage System ...

Adopting a modular integration design, the system achieves a single-container capacity of 20MWh and a design lifespan of 25 years, leading the global industry. Its seven-tier safety protection ...
