

Longi Solar Power Generation Power

Overview

LONGi Solar is the world's leading manufacturer of high-efficiency monocrystalline silicon wafers and PV modules. With advanced HPBC and PERC technology, LONGi delivers reliable, high-performance solar panels for utility, commercial and residential projects. At the key node of intergenerational transition of global Photovoltaic (PV) technology, the back contact (BC) cell technology is leading the new-generation PV technology paradigm revolution, becoming the core engine to drive industry cost reduction and efficiency improvement and realize energy. Design institutes/companies/individuals worldwide are invited to submit design proposals for solar power plants using LONGi's Hi-MO 9 modules. LONGi's technological and manufacturing leadership in solar wafers, cells and modules underscores our commitment to helping accelerate the clean energy. supplier of solar products and solutions. Under its mission of "Utilizing Solar Energy, Building a Green World" and brand. On February 5th, LONGi officially renewed a three-year cooperation framework agreement with the renowned European energy solutions provider Energy 3000. By offering high-quality, reliable products and systems, we provide holistic solutions for the solar and renewables.

Longi Solar Power Generation Power

Another 2GW Deal Secured! LONGi Green Energy Starts Strong in ...

LONGi's premium residential brand EcoLife series 500W modules were honored with the 2026 German Excellence Award in the "Energy and Environment" category, recognizing their ...

LONGi Solar Panels & PV Modules

Backed by advanced technologies, LONGi solar panels feature excellent power ratings and top conversion efficiencies, and can be used across all market segments. LONGi's field-proven bifacial ...

ENERGY STORAGE SYSTEM

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW 115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

LONGi Energizes Its First Solar PV Installation Using New Module ...

With the same surface area, LONGi's HPBC 2.0 dual-glass modules increase installed capacity by 5% compared to TOPCon modules, achieving an 8.56% power generation gain, the ...

China Solar PV News Snippets

The project uses LONGi's Hi-MO X10 back contact (BC) modules for the project, achieving 3-dimensional power generation coverage across rooftops and façades. The solar power generated ...

- OUTDOOR ENERGY STORAGE CABINET
- 19 INCH

2GW ! LONGi and TCL PV Simultaneously Ramp Up European Solar ...

In early February, European energy solutions provider Energy 3000 reached cooperation agreements with two Chinese photovoltaic (PV) enterprises in succession. LONGi Green Energy ...

About LONGI , longi-solar.ae

Li Zhenguo, President of LONGi, proposed the "Solar for Solar" concept of PV power generation for PV products at the 24th U.N. Climate Change Conference, which attracted global attention.

LONGi Solar , Leading Global Solar Energy Solutions

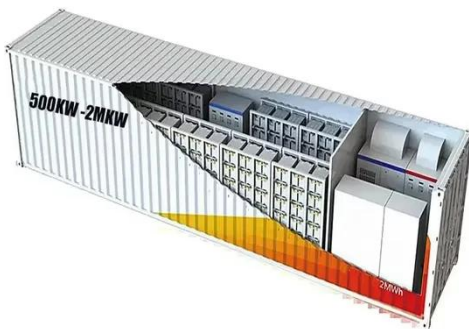

LONGi leads the solar energy revolution with PV technology, delivering high-efficiency modules, solutions, and full-

cycle quality assurance.

The World's Leading Supplier of Solar PV Solutions

LONGi is a world leader in the clean energy transition. We provide a comprehensive suite of solar PV solutions that can optimize a wide range of project applications.

420w Longi Mono solar panel all weather

With its high efficiency and stable power generation, the 420W Longi panel is ideal for grid-tied, hybrid, and off-grid solar systems. It offers long-term reliability with a proven track record of performance and ...
