

Longi photovoltaic crystal panel manufacturer

Overview

Longi solar panels are produced by the Chinese company Longi Solar Technology Co. At the key node of intergenerational transition of global Photovoltaic (PV) technology, the back contact (BC) cell technology is leading the new-generation PV technology paradigm revolution, becoming the core engine to drive industry cost reduction and efficiency improvement and realize energy. The company is committed to providing sustainable energy solutions around the world to promote the popularization and application of clean energy. Don't hesitate to contact us for better help and service. Explore more Since its establishment, the company has adhered to innovation-driven. Longi is the world's leading solar manufacturer, consistently making Top-10 solar brands. was originally founded as Xi'an LONGi Silicon Materials Corporation on Valentine's Day 2000, by Li Zhenguo in Xi'an China.

Longi photovoltaic crystal panel manufacturer

Longi Solar Panels , CCL Components

LONGi Solar are one of the world-leading mono-crystalline module manufacturers. We stock LONGi 375w to LONGi 500w solar panels and beyond, with datasheets accessible via our product pages ...

Solar Photovoltaic Panels Manufacturer , Solar Panels for Sale , LONGi

With excellent technical research and development team and advanced production equipment, it has established a good reputation in the solar photovoltaic industry, and its products are exported to ...

LONGi Green Energy Technology (LONGi)

Founded in 2000, LONGi Green Energy Technology Co., Ltd. (LONGi) is a solar technology that develops solutions for large-scale power plants and for different industries and ...

LONGi Solar , Greentech Renewables

LONGi Solar is a world leading manufacturer of high-efficiency mono-crystalline solar cells and modules.

Longi solar panels

With manufacturing facilities and sales offices in more than 150 countries and regions worldwide, including Asia, America, Australia, and the Middle East, Longi has established a strong ...

LONGi Solar Panels & PV Modules , High-Efficiency Monocrystalline

LONGi Solar is the world's leading manufacturer of high-efficiency monocrystalline silicon wafers and PV modules. With advanced HPBC and PERC technology, LONGi delivers reliable, high-performance ...

Longi Solar photovoltaic panels

Longi solar panels are produced by the Chinese company Longi Solar Technology Co., Ltd., which is one of the largest manufacturers of solar cells and

panels in the world.

The World's Leading Supplier of Solar PV Solutions

LONGi is more than a product supplier, offering project consultation, design, installation, procurement, commissioning, operation and maintenance, and financing expertise.

Support Customized Product

LONGi: Powering the World with Monocrystalline Solar Panels

LONGi has 7 main manufacturing plants in China: Yunnan, Ningxia, Jiangsu, Shaanxi, Zhejiang, Anhui, and Shanxi. Yunnan and Ningxia are the largest. LONGi also has facilities in Vietnam and Malaysia.

Top 10 Solar Panel Manufacturers in China (2026)

Check out the top solar panel manufacturers in China, such as JinkosSolar, LONGI, Trina Solar,

Astronergy, and more.
