

Longi photovoltaic panel name

Overview

HPBC (Hybrid Passivated Back Contact) is LONGi self-developed and named hybrid passivated back contact cell technology. It is a new generation of high-efficiency cell technology featuring no grid lines on the front side of the cell. LONGi has laid out several manufacturing bases in China, Vietnam, Malaysia and other countries and regions, and branches in the United States, Japan, India, Australia, Thailand. Longi is the world's leading solar manufacturer, consistently making Top-10 solar brands. was originally founded as Xi'an LONGi Silicon Materials Corporation on Valentine's Day 2000, by Li Zhenguo in Xi'an China. The company underwent the name change in 2017 to better represent a widening vision. Ecolife. A name from the list of Top-10 world's solar brands, LONGi Solar has been called the fastest-growing PV manufacturer at times. What kind of panels does it offer and what are its strengths?

We'll go over every detail in our LONGi Solar panels review. Longi Solar's two primary solar panel technologies are PERC cell modules and bifacial modules.

Longi photovoltaic panel name

Expert Review of LONGi Solar Panels

What solar panel modules does LONGi offer? LONGi offers four main module series, the Hi-MO 7, Hi-MO X6, Hi-MO 5, and Hi-MO 5m, but only the Hi-MO 5m Series offers panels for residential use.

High-efficiency Module, Longi solar module

HPBC (Hybrid Passivated Back Contact) is LONGi self-developed and named hybrid passivated back contact cell technology. It is a new generation of high-efficiency cell technology featuring no grid lines ...

LONGi Solar Panels & PV Modules , High-Efficiency Monocrystalline

LONGi Solar is the world's leading manufacturer of high-efficiency monocrystalline silicon wafers and PV modules. With advanced HPBC and PERC technology, LONGi delivers reliable, high-performance ...

LONGi Solar panels review 2026

The panels from LONGI Solar are the ones of the most efficient solar panels with almost 25% efficiency ratings due to HPBC technology. LONGi provides a 12-25-year product warranty and ...

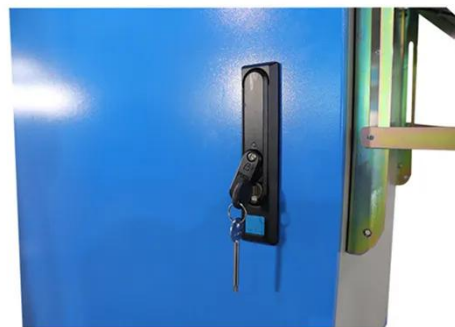

LONGi: Powering the World with Monocrystalline Solar ...

Embrace the power of solar energy with LONGi, the global leader in monocrystalline solar panels. Discover their range of high-performing products.

Longi solar panels

Longi offers a wide range of solar panels for both residential and commercial applications, designed to meet the specific needs of different customers. For residential installations, Longi ...

The World's Leading Supplier of Solar PV Solutions

LONGi's technological and manufacturing leadership in solar wafers, cells and modules underscores our commitment to helping accelerate

the clean energy transition. By offering high-quality, reliable ...

LONGi Solar: manufacture of monocrystalline solar panels

LONGi Solar is a leading manufacturer of solar panels and photovoltaic solutions, founded in China in 2000. Its specialties include the production of PERC (Passivated Emitter and Rear Cell) ...

LONGi Solar Technology Co., Ltd. , Solar Panels , China

Company profile for solar panel and material manufacturer LONGi Solar Technology Co., Ltd. - showing the company's contact details and offerings.
