

New energy storage project in kiev

Overview

Ukrainian private utility DTEK has energised the largest battery storage project in the war-torn country and one of the biggest ones in Eastern Europe. DTEK partnered with American energy firm Fluence Energy Inc. The 200 MW/400 MWh installation spans six sites ranging from 20 MW to 50 MW and connected to the power grid in the Kyiv and Dnipropetrovsk regions. This was reported by DTEK's press service. The state-owned Oschadbank, Ukrgasbank, and PUMB will give out the funding.
