

Nor Photovoltaic Panel Cleaning Company

Overview

As a Solar Maid licensed and approved service provider, we keep your Solar Panels operating at peak efficiency by using the finest techniques and eco-friendly cleaning supplies. We also do bird mesh installation, keeping pigeons, squirrels, raccoons, and other pests from. Put the power back in the panel. Always pure water, never any chemicals. Pure water, paired with the latest. Serving San Jose, Los Gatos, Saratoga, Campbell, Cupertino, Mt. We believe in doing things the right way—with care, integrity, and long-term results in mind. While it might seem simple, many things play a part in how and when to clean your solar panels: Using the correct cleaning products, water pressure, angle of spray. Dirty solar panels are less efficient and will wear down much faster if not maintained.
