

Price of 500kW outdoor telecom cabinet for drilling sites

Overview

Prices for outdoor telecom cabinets as of 2025 can run anywhere from \$900 to \$5,000, depending on design, materials, and integrated systems. Let's break that down: Why such a wide range?

Because not all cabinets serve the same function. What is an outdoor telecom cabinet?

Before jumping into costs, let's clarify what we are. Charles Universal Broadband Enclosures (CUBE) are constructed to withstand the elements and provide superior protection for active electronics in all environments. Designed to protect your equipment from rain, dust, and extreme temperatures, our waterproof and customizable solutions ensure reliability in any environment. These outdoor cabinets are robust, durable and corrosion-resistant electrical enclosures. As one of the leading outdoor telecom cabinet manufacturers, Machan offers a comprehensive range of customizable cabinets that are designed to protect and store equipment in remote sites.
