

Price quote for waterproof outdoor telecom cabinets used in european airports

Overview

Prices for outdoor telecom cabinets as of 2025 can run anywhere from \$900 to \$5,000, depending on design, materials, and integrated systems. Let's break that down: Why such a wide range?

Because not all cabinets serve the same function. The global outdoor telecommunication enclosures market is projected to grow from \$2.5 billion by 2028, driven by 5G infrastructure expansion and smart city initiatives. Key industry developments include rising demand for IP65+ rated enclosures due to extreme weather. As one of the leading outdoor telecom cabinet manufacturers, Machan offers a comprehensive range of customizable cabinets that are designed to protect and store equipment in remote sites. Our IP55 air-conditioned rack cabinets, along with their available sizes and detailed technical specifications, are listed in our telecom product catalog.
