

Solar container battery cabinet and battery compartment

Overview

Discover durable outdoor battery storage, pole-mounted boxes, and wall-mounted enclosures designed for solar batteries outside installation. Protect your batteries in any environment today! Outdoor battery enclosure with air conditioner for industry waterproof. Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need a place to live, sheltered from the elements and kept dry and secure. We will supply the best enclosures for your business, shipping worldwide. Protect your solar batteries with our tested, waterproof enclosures today! KDM solar battery cabinets provide you with the ultimate outdoor dust-tight. Unbound Solar carries durable solar battery boxes and enclosures that are perfect for your off-grid or grid-tie with battery backup system. The box has an insulated base with removable middle section that minimizes lifting, easing battery installation. The plastic is easy to drill with hole saw to.

Solar container battery cabinet and battery compartment
