

Tashkent 2025 new energy storage solar exhibition

Overview

This exhibition will be held at the Uzekscentre Exhibition Centre in Tashkent, Uzbekistan, from October 21 to Octo. It aims to showcase the latest advancements and innovations in various sectors related to energy production and conservation. Open a new era of green and low-carbon, and create a green and beautiful new life. The event, which will be attended industry professionals, creates opportunities to connect with buyers from all over Uzbekistan and neighboring countries in the region, to source products. October 2025 is set to become a landmark month for the global clean energy industry, with four major exhibitions scheduled across Asia and the Middle East: SNEC ES+ International Energy Storage Conference & Exhibition in Shanghai, Solar & Storage Live KSA in Saudi Arabia, China Wind Power in. The 19th International specialized exhibition "Uzenergyexpo 2025" will take place in NEC "Uzexpocentre" from 21 to 23 October 2025 in Tashkent. Make good pre-exhibition preparations, including exhibits preparation, booth. The International Exhibition UzEnergy Expo is a premier event dedicated to the fields of energy, energy saving, electrical engineering, and lighting technologies.

Tashkent 2025 new energy storage solar exhibition

Oct 2025 Energy Exhibitions: SNEC, KSA, China, Uzbekistan

UzEnergyExpo 2025 (October 21-23, Tashkent, Uzbekistan) SNEC is widely recognized as one of the most influential exhibitions in the global renewable energy sector, particularly in energy storage and ...

UzEnergyExpo 2025

ASEAN (Bangkok) Solar PV & Energy Storage Expo 2025 is a premier event dedicated to the advancement of solar photovoltaic (PV) technology and energy storage solutions in Southeast Asia.
