

What are the photovoltaic panel factories in South Africa

Overview

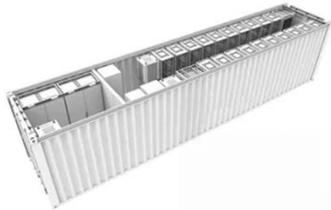

This guide ranks the top 5 solar panel manufacturers and suppliers serving the South African market in 2026. ARTsolar Founded in 2010 Located in Durban. ARTsolar is a prominent solar panel manufacturer in South Africa, specializing in the high-volume production of solar photovoltaic (PV) modules ranging from 100Wp to 440Wp, ideal for utility-scale PV farms. South Africa has been at the forefront of adopting renewable energy in Africa, particularly harnessing the abundant sunshine the country receives for solar energy. With rising energy costs and a growing focus on sustainability, solar power is a compelling option for homes and businesses alike.
