

Yingli photovoltaic monocrystalline panel specifications

Overview

See specifications, prices, warranty info and reviews for the YL330DG2530L-2 1/2, a 330 P-type mono-crystalline silicon solar panel from Yingli. YLM 60 Cell Series Dimensions 1640mm / 990mm / 40mm Module Type Choosing the best P-type monocrystalline cells, YLM series modules are making the best out of your system. Trust in the expertise of Yingli and well proven technology. High Power Density High conversion efficiency and more power output. Note: Your Enquiry will be sent directly to Shinson Technology Co. Yingli Energy Development Company Limited Solar Panel Series YLM 3.

Yingli photovoltaic monocrystalline panel specifications

Yingli Solar , YLM 3.0 Plus 1 YL580-605DF60 f/2

Detailed profile including pictures, certification details and manufacturer PDF.

Yingli Solar Panel 2026 Review

Today, Yingli claims a spot among the world's largest solar panel producers. This review will discuss the product range, pricing and pros and cons of Yingli Solar.

Product Specifications_Yingli Solar

Build a Green and Beautiful Homeland for All Strive for excellence, build a benchmark brand, lead the green development with innovation, and create a green future through win-win collaboration

IMPROVED POWER

Tested in accordance to the standard IEC 62804, our PV modules have demonstrated resistance against PID (Potential Induced Degradation), which translates to security for your investment.

Yingli photovoltaic panel size specifications

Yingli Solar PV modules are designed to meet the requirements for the standards IEC 61215 and IEC 61730, application class A. Modules rated for use in this application class may be used in systems ...

Specifications of Yingli photovoltaic panels

This manual contains important information pertaining to the electrical and mechanical installation and maintenance of PV modules, and contains safety information that you must read carefully and be ...
